

NDA-5080-TM Tilt mount 20-deg, 148mm

This camera-specific accessory is designed for use with Bosch's line of universal accessories. The modular camera mounts & accessories are a family of mounts, mounting adapters, pendant interface plates and surveillance cabinets which can be used with a wide range of Bosch cameras. The accessories are easy to install and can be combined to simplify installation in multiple locations while retaining the same look and feel.

Functions

The tilt mount is designed especially for use with the FLEXIDOME IP 4000i / 5000i (IR) and FLEXIDOME panoramic 5100i families.

It provides an additional 20 degree tilt to dome camera installations when connected to a pendant interface plate.

The tilt mount enables the panoramic camera to provide 180 degree views in a wall mount installation by allowing the camera to look down in a perfect angle.

Notice

Compatible with the Pendant interface plate for the FLEXIDOME IP 4000i / 5000i (IR) families.

Certifications and approvals

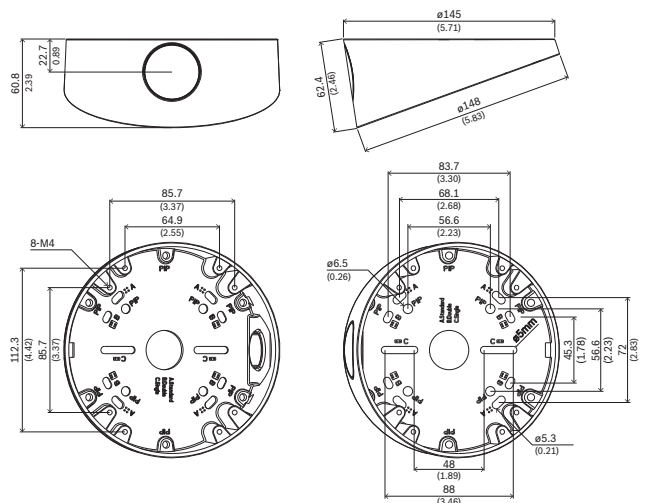

Environmental	
Salt mist	IEC60068-2-52
Vibration	NEMA TS2
